

S u m m e r E d i t i o n

M e s s a g e f r o m O u r P a r t n e r

Well spring is definitely on the way and we are all looking forward to a brighter 2021 and a way out of lockdown and a return to seeing family and friends.

Locally, we are very proud of being involved in the COVID vaccination programme running from the Festival Hall in Petersfield and are really enjoying seeing our patients receive their vaccinations and take a step towards being protected against coronavirus. East Hants is ahead of most areas in the country for the vaccination programme but if you haven't been called yet, please do not worry, you will receive a communication – either a letter, text message or phone call and we will all get vaccinated.

This last year has been difficult for all of us and we are aware of the strain it is taking on our patients some of who have unfortunately lost loved ones. Mental health problems are also increasing but there is help available. Please use our website, speak to our clinicians and talk to the people around you. We can get through this together – we are nearly there!

Dr K Bannell – GP Partner

Summer Edition

Some of our Spring & Summer Campaigns

Covid Vaccinations Progress Update

We have been working tirelessly with the Primary Care Network (PCN) to deliver the Covid Vaccination to our patients. As per the government guidelines we have invited all of the first 9 cohorts of patients to be vaccinated and, we have had a very positive uptake for the vaccination.

Total COVID Vaccine Doses Administered

Across Hampshire and the Isle of Wight	1,041,398
Across Hampshire and the Isle of Wight delivered by PCNs	783,412
Across Farnham & Gosport CCGs delivered by PCNs	192,458

PRESCRIPTION REQUESTS

As of 1st May 2021 we are moving towards the majority of patients using on-line access. Please [click here](#) for more information.

All of our local pharmacies are no longer managing the repeat prescription process on patient's behalf.
